

The results of this survey, conducted by Petroleum Research Bureau, represents 71% of respondents who completed the online version of the survey and who preregistered to attend the Offshore Technology Conference in May 2013. Tabulation of the mailed responses have not been completed. Once that data has been compiled, a revised survey results file will be provided.

Which best describes your job function? (select one)

	2010	2013
Engineer	25.6%	38.3%
